NORWALK, CT., October 23, 2012 -- The law firm of [Goldman, Gruder & Woods](#) today announced the opening of new offices at a third location.

Located at 105 Technology Drive, Trumbull CT., 06611, the office is housed in one of Trumbull's newest business centers, with easy access to major thoroughfares.

"We are thrilled to announce the expansion of our firm to more comprehensively serve Eastern Fairfield County," said Michael L. Goldman, managing principal at Goldman, Gruder & Woods. "The attorneys at our firm believe in face-to-face time with each one of our clients. The addition of our Trumbull office provides further convenience for our clients as well as added space to house our growing team."

The Trumbull office will serve as the base for an expanded focus on bankruptcy, debtor/creditor rights, and commercial litigation. Attorney Stephen Wright, who recently joined the law firm as a partner, will be resident in the Trumbull location.

Goldman, Gruder & Woods is the largest general practice law firm in Norwalk and recently expanded its headquarters offices in that city, adding space for the anticipated addition of a number of associate attorneys. Goldman, Gruder & Woods also has offices in Greenwich.

“We are experiencing increased demand for the legal services our team handles,” Goldman said. “To maintain our commitment to personalized attention to each client’s unique needs, we found it necessary to expand.”

“As a Trumbull resident, I’m thrilled to bring added commerce to my town, and I’m looking forward to acquainting my neighbors and friends with our services,” said Goldman.

About the firm:

Goldman, Gruder & Woods, LLC represents individuals, employers and employees in matters related to business, real estate, employment, education, criminal, litigation and health care laws. Its attorneys believe that the best and most economical client service is achieved within a smaller firm with few barriers between client and principal. The firm, with a focus on smaller or closely-held businesses, has offices in Norwalk, Greenwich and Trumbull.
