Attorney David Slossberg has been named Director of the Year and Chairman Emeritus by the Milford Chamber of Commerce.

Slossberg, a partner at the Milford-based law firm Hurwitz, Sagarin, Slossberg & Knuff, served the Chamber of Commerce as its chairman in 2010.

He received the two awards of distinction during the chamber's annual luncheon on Wednesday.

"Each year, we honor the immediate past president as a way of highlighting his or her outstanding contributions to the Milford Chamber. David joins an elite and much-appreciated group of hard working individuals who have volunteered to lead the chamber's efforts to better the Milford business community," said Kathleen Alagno, president of the Milford Chamber of Commerce. "We were privileged to have David lead us so adroitly, and are delighted to honor him."

Spearheaded by Slossberg, the Milford Chamber last year ran a highly successful recruitment drive, attracting 128 new members during a four-week campaign. "David's leadership abilities are extraordinary, and have led the Chamber through tough economic times," Alagno said.
