Kevin Peters of Morgan Stanley.

Morgan Stanley announced Monday that Goldens Bridge resident Kevin Peters, a managing director of wealth management and financial advising in the firm's Purchase office, has been named to Barron's annual list of America's Top 100 Financial Advisors.

The "Barron's Top 100 Financial Advisors" is a select group of individuals who are screened on a number of criteria. Among factors the survey takes into consideration are assets under administration, revenue produced for the Firm and quality of service provided to clients. Investment performance is not an explicit criterion.

"As a firm, we take pride in the integrity and professionalism of our Financial Advisors and we congratulate Kevin on being named to this prestigious list," commented Robert Peyreigne, Manager of Morgan Stanley Wealth Management's Purchase office.

"The listing recognizes an elite group of financial professionals who are dedicated to providing clients with exceptional services."
