Whitcraft LLC Buys Reliable Manufacturing

Whitcraft LLC, an [Eastford](#) aerospace parts manufacturer, said Tuesday that it had acquired a 50-year-old aircraft parts manufacturer in Bloomfield.

Reliable Manufacturing, which manufactures engines for both civilian and military aircraft, was purchased by Whitcraft for an undisclosed price.

The acquisition was Whitcraft's third in about four years following the purchase of Connecticut Tool and Manufacturing in [Plainville](#) and the A.O. Sherman Co. in [Norwalk](#).
